

Safety, One Touch, Speedy Color Changing!

One Touch Screen Changer

Extruder K Series

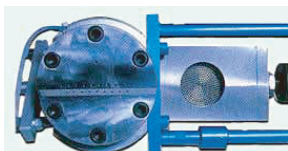

Utility Model Patent No.005151

Vent Type 100mm L/D36

Vent Type 65mm L/D

One touch screen changer with air cylinder
(The net can be changed without taking off the bolt.)

One Touch Screen Changer

Safe, One touch
Speedy Color Change!

Extruder for Miscellaneous Shapes

Requires only a small space, and can combine shapes with two colors, shapes with three colors, and extruder. Especially the two color type combines transverse and vertical machines. Designed for easy centering with model
